Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This communication is being sent as requested by Examiner Ngoc K. Vu during a teleconference with the Examiner on February 6, 2004.

Applicants fax-filed a Supplemental IDS (citing two references) for this application on October 23, 2003. While reviewing PAIR for this application, it was noted that the Supplemental Information Disclosure Statement and accompanying documents as facsimile filed on October 23, 2003 were not recorded in PAIR.

Accordingly, a telephone call was placed to Examiner Vu to discuss this matter. During a telephone conversation with the Examiner on February 6, 2004, the Examiner indicated that she had not received the Supplemental Information Disclosure Statement as facsimile filed on October 23, 2003. The Examiner Vu requested that a Communication with copies of the Supplemental IDS as facsimile filed on October 23, 2003 be sent to her.

Accordingly, per the Examiner's request, this Communication is being filed along with a copy of the Supplemental IDS and accompanying documents as filed on October 23, 2003 (see **Attachment A**).

The transmittal form for the Supplemental IDS and the first page of the IDS itself (both included in Attachment A), both comprise a signed certificate of mailing indicating that the Supplemental IDS was filed on October 23, 2003. The fax cover sheet also indicates that the Supplemental IDS was filed on October 23, 2003. Further, a confirmation (RIGHT FAX confirmation) was received from the USPTO confirming that the Supplemental IDS was properly received by the USPTO on October 23, 2003. A copy of the RIGHT FAX confirmation is attached (see **Attachment B**). Applicants submit that Attachments A and B clearly indicate that the Supplemental IDS was filed on October 23, 2003 and received by the USPTO on the same date. Applicants accordingly request that the Supplemental IDS be given a filing date of October 23, 2003.

Applicants respectfully request that the references cited in the Supplemental IDS be expressly considered during prosecution of this application, and the references be made of record in the "References Cited" section of any patent to issue from this application.

If the Examiner has any questions regarding this matter, please call the undersigned at 650-324-6365.

Respectfully submitted,

S. B. Kotwal
